PROFILE INFO

I am a Full Stack Software Developer, currently attending Nashville Software School. I have a background in community relations and video editing. I focus on creating and helping others. I enjoy solving problems using logic while working in a team environment.

MY SKILLS

- Adobe Creative Suite
- Wireframes
- HTML & CSS
- Javascript
- React
- .Net
- SQL
- Git/Github
- C#

MY PROJECTS

TN Sno Slush | Front End Capstone

TN Sno Slush is my front end capstone project that acts as a search-base for snow cones places in Tennessee. **Utilized JavaScript, REACT, JSON, HTML5 and CSS3. CRUD functionality as a focus.**

World Cuisine | FullStack Capstone

World Cuisine is my FullStack capstone project that allows users to try recipes from other countries. **Utilized JavaScript, REACT, JSON, HTML5, CSS3, .NET, C#, and SQL. CRUD functionality as a focus.**

SOFTWARE DEVELOPMENT EXPERIENCE

Software Developer   May 2022 - Nov 202
Nashville Software School

A six month full-stack web developer apprenticeship that focuses on instructing developers through a hands-on and intensive training. Training includes an introduction to real-world methodologies, utilizing agile with scrum implementation.

- Build single page applications using HTML, CSS, JavaScript, and React
- Utilize C#, .NET and SQL to implement server side applications
- Utilize third party APIs to include data in web applications
- Source code version control with Git / Github

PROFESSIONAL EXPERIENCE

Videographer / Editor   2020- 2022
Freelance Work

- Works collaboratively with Nashville musicians and creatives to support their goals
- Shoot and edit compelling, impactful stories that are clear and easy to understand
- Develops videos for marketing and social media needs

Church and Community Relations Coordinator   2019 - 2020
Raise the Roof Academy

- Identified and maintained strategic community alignments, leveraging partnerships that created program awareness and led to increased child sponsorships
- Coordinated fundraising events
- Led presentations to promote RTRA's mission
